U.S. Citizen | Veterans' Preference: 5-Point | Clearance: Top Secret (Active) / SCI Eligible | Availability: Oct 2027

PROFESSIONAL SUMMARY

IT and cybersecurity operations leader with 18+ years of progressive DoD experience managing classified and unclassified enterprise networks supporting U.S. submarine forces. Currently serving as Cyber Assistant, ISSM, and Cyberspace Workforce Program Manager (CWF-PM) at COMSUBRON ONE. Expert in RMF/ATO lifecycle management, vulnerability management (ACAS/Tenable/VRAM), STIG compliance, eMASS, CANES/NAVMAC, and DoD 8570/8140. Contributed to the highest-scoring Fleet Cyber Command inspection in submarine history. Active TS/SCI. B.S. Information Technology, Purdue Global, 2025, Summa Cum Laude.

CORE COMPETENCIES

RMF / ATO Lifecycle Management
ACAS / Tenable / VRAM / POA&M
eMASS / STIG / SCAP Compliance

CANES / NAVMAC / Enterprise IT
KMI / CMS / Classified Systems
DoD 8570/8140 Workforce Mgmt.

Cyber Inspection Execution
IT Program & Project Management
Multi-Site Enterprise Operations

PROFESSIONAL EXPERIENCE

Cyber Assistant | ISSM | Cyberspace Workforce Program Manager Commander, Submarine Squadron ONE (COMSUBRON ONE), U.S. Navy

01/2024 – Present

JBPHH, Hawaii | 40+ hrs/wk | E-8 / ~\$102,000 equivalent (base + allowances)

- Serve as ISSM and principal cybersecurity advisor for seven operational fast-attack submarines; own full RMF/ATO lifecycle, eMASS package maintenance, and ACAS/VRAM vulnerability management across classified and unclassified enterprise networks (CANES, NAVMAC, C4I systems).
- Contributed directly to the VMT achieving the highest Fleet Cyber Command cyber inspection score in submarine history — recognized with a spot Navy and Marine Corps Commendation Medal from the Commodore, COMSUBRON ONE.
- Planned and executed three cyber security inspections and one KMI inspection across subordinate commands in a single reporting period; all achieved satisfactory or better results.
- Manages DoD 8570/8140 certification compliance, workforce gap analysis, and individual training roadmaps for squadron cyber personnel aligned to CYBERCOM requirements.
- Co-authored Occupational Standards for the ITN (Submarine Networks) rate at the CNO level — established Navy-wide cybersecurity competency benchmarks for hundreds of billets.

Information Warfare Enlisted Advisor | IT Division LCPO | ISSM USS Springfield (SSN 761), U.S. Navy

10/2020 – 01/2024

Pearl Harbor, HI / WESTPAC | 60+ hrs/wk | E-7/E-8 / ~\$88,000–\$102,000 equivalent

- Served as ISSM and IW Enlisted Advisor for a Los Angeles-class submarine; maintained RMF/ATO compliance, STIG/SCAP enforcement, and system accreditation status across all classified and unclassified shipboard networks through four Western Pacific deployments — 100% uptime sustained.
- Rehabilitated a KMI/CMS program rated unsatisfactory — overhauled all accounts, procedures, and audit records, achieving satisfactory rating on a three-year CMS Central Office of Record (COR) audit.
- Directed 16 TYCOM-level jobs and 2,900+ maintenance items across three work centers during major maintenance availability with zero deferred items.
- Developed 32+ technical personnel across five paygrades to senior-in-rate qualification; three subordinates promoted to Chief Petty Officer under direct mentorship.
- Ranked #1–#2 of 8 IW LCPOs across three submarine squadrons; Early Promote recommendation every evaluation period.

IT Division LCPO | System Administrator | ISSM USS Annapolis (SSN 760), U.S. Navy

05/2017 – 10/2020

Groton, CT / San Diego, CA / Pearl Harbor, HI | 60+ hrs/wk | E-6/E-7 / ~\$72,000–\$88,000 equivalent

- Led command to achieve Squadron Eleven Green Cyber 'C' Award (FY2019); managed all classified/unclassified LAN and ITS systems through cross-country homeport change with zero installation deficiencies.
- Qualified Diving Officer of the Watch (DOOW); 3M Inspection score exceeding 90%. Served as Command DAPA.

Network Administrator | LAN Administrator | IAO Commander, Submarine Group TEN (COMSUBGRU 10), U.S. Navy

03/2014 – 05/2017

Kings Bay, GA | 40+ hrs/wk | E-5/E-6 / ~\$56,000–\$72,000 equivalent

- Managed \$5.1M in enterprise IT assets across 16 subordinate commands (NMCI, pier connectivity, shipboard networks); executed tech refresh of 780 computers and 80 MFDs with zero deficiencies. Contributed to crew data transfer process saving \$20.3M across the claimancy.

LAN / System Administrator — USS Scranton (SSN 756), U.S. Navy | Groton, CT

08/2008 – 02/2014 | 60+ hrs/wk | E-3/E-5

Administered classified and unclassified shipboard LAN and IT systems across multiple WESTPAC and Mediterranean deployments supporting national-level submarine operations. Earned Submarine Warfare Specialist qualification (SS/Dolphins, Nov 2009).

EDUCATION

B.S., Information Technology — Purdue Global University
Summa Cum Laude | GPA: 4.0 | Dean's List — All Semesters

Dec 2025

CERTIFICATIONS, QUALIFICATIONS & NECS

CompTIA Security+ CE — IAT II (expired Sep 2018; renewal priority #1)
CISM — ISACA (in progress; target Q4 2027)
PMP — PMI (planned 2028) | CISSP — (ISC)² (planned 2029)
KMI KOAM — Certified March 2022
CANES Administrator SW3/SW4 (NEC 735A) — Aug 2024

NEC 741A — ISSM | NEC 742A — NSVT | NEC T47A — SUBLAN
Submarine Warfare Specialist (SS/Dolphins) — Nov 2009
Enlisted IW Specialist (EIWS) — Nov 2014
Diving Officer of the Watch (DOOW) — 2018
ISIC Cyber Inspector Qualified | SEJPME I — Sep 2016

AWARDS & RECOGNITION

Navy & Marine Corps Commendation Medal (×3, incl. Spot NCM — highest Fleet Cyber Command inspection score in submarine history) | Navy & Marine Corps Achievement Medal (×8, incl. Gold Star) | Good Conduct Medal (×2) | Military Outstanding Volunteer Service Medal | Squadron Eleven Green Cyber 'C' Award FY2019 | Recommended for E-9 by Commodore, COMSUBRON ONE — 2024

ADDITIONAL INFORMATION

Veterans' Preference: 5-Point — Active duty U.S. Navy, 20+ years honorable service; separation Oct 2027. Eligible per 5 U.S.C. § 2108.

Security Clearance: Top Secret (Active) / SCI Eligible — adjudicated and current. No adverse history.

Geographic: CONUS-wide. Open to remote / hybrid. Long-term preference: Tennessee.

Supervisor contact: Available upon request through official channels per DoD privacy requirements.
